Please Note: This Directory contains the names, addresses, and telephone numbers of Toxics Use Reduction (TUR) Planners currently certified to sign Toxics Use Reduction Plans. Addresses and telephone numbers are, when available, those of the planner's home address, or other preferred mailing address, since facility locations may change. Planners are identified as either Limited Practice or General Practice TUR Planners. DEP certifies environmental professionals as TUR Planners. Limited Practice Planners may only certify the TUR plan of his or her employer while General Practice Planners may certify the TUR plan of any facility in Massachusetts. Because individual TUR Planner Certifications expire every two years, please do not rely exclusively on this directory as proof positive of a TUR Planner's certification status. Call the DEP TUR Planner Program at (617) 556-1011 for up-to-date TUR Planner information.

Please Note: This Directory contains the names, addresses, and telephone numbers of Toxics Use Reduction (TUR) Planners currently certified to sign Toxics Use Reduction Plans. Addresses and telephone numbers are, when available, those of the planner's home address, or other preferred mailing address, since facility locations may change. Planners are identified as either Limited Practice or General Practice TUR Planners. DEP certifies environmental professionals as TUR Planners. Limited Practice Planners may only certify the TUR plan of his or her employer while General Practice Planners may certify the TUR plan of any facility in Massachusetts. Because individual TUR Planner Certifications expire every two years, please do not rely exclusively on this directory as proof positive of a TUR Planner's certification status. Call the DEP TUR Planner Program at (617) 556-1011 for up-to-date TUR Planner information.
